**STATUS OF PATENT APPLICATION**

On June 7, 2002, the following document (and appropriate fee) was submitted by mail bearing a mailing certificate. Our records show that the return postcard has not been received. In view of the non-receipt of the postcard, a telephone inquiry was made on October 29, 2002 to in fact determine whether the patent office had received the document in question, and it had not.

Accordingly, enclosed is a DUPLICATE copy of the following:

1. Amendment originally submitted on June 7, 2002; and
2. Photocopy of unreturned postcard.

Please enter these material(s) as being timely received.

Respectfully submitted,
